Gerhard Lingg, Dr. Dr. PhD,

## Education

- Oct 2008 – Oct 2011* **UNIVERSIDAD AZTECA, MEXICO**  
Dr., Complementary, Psychosocial and Integrated Health Sciences,  
Normalization Algorithm for Metaanalysis of Metamorphosis Experiments  
Chalco, Mexico
- Sep 2008 – Sep 2011* **Universidad Central de Nicaragua (UCN)**  
Dr., PhD, Complementary, Psychosocial and Integrated Health Sciences,  
Complementary, Psychosocial and Integrated Health Sciences  
Managua, Departamento de Managua, Nicaragua

*Apr 2005 – Jun 2008* **Interuniversity College for Health and Development Graz, Styria, Austria**  
MSc, Inter-university course on Complementary, Integrative Psychosocial and Health Sciences: Master's EU

*Apr 1992 – Apr 1998* **INTERNATIONAL UNIVERSITY FOR ALTERNATIVE MEDICINES**  
M.B.B.S. (A.M.), M.D.(A.M.), ALTERNATIVE MEDICINES  
Calcutta, India.  
Institute of Medical & Technological Research, Calcutta, West Bengal, India

## **Thesis**

*Metaanalysis of Metamorphosis Experiments:  
Metamorphosis Experiments on Ultra High Diluted Thyroxin and Amphibians.*

## **Research Experience**

*Nov 2012 – present* **Member**  
ASSOCIATION EUROPEENNE DE MEDECINE PREDICTIVE, PREVENTIVE ET PERSONNALISEE, EN ABREGE: EPMA EPMA as the European Coordinator in the field of Predictive, Preventive & Personalised Medicine, EPMA as the European Coordinator in the field of Predictive, Preventive & Personalised Medicine  
Brussels, BRU, Belgium

*Oct 2010 – present* **Head Research**  
SWISS INDEPENDENT INSTITUTE FOR MEDICAL INNOVATION IMI LIMITED, Research, WAN CHAI, Hong Kong

*Jan 2008 – present* Head of the research division heart rate variability at the Interuniversity College Graz (A)

*Mar 2002- present* Ibn Sina Academy of Medieval Medicine and Sciences, Unani -Medicine, Alternate Medicine, Herbal, Indian Medicine.  
Aligarh India

## Skills & Activities

*Skills* Plant Biotechnology, Water Quality, Hospital, Ethnomedicine, Heart Rate Variability, Healthcare, Applied Biology, M-Learning, eHealth, Health, Metabolomics, mHealth, Ethnomedicinal Botany, Bioinformatics Computational Biology, Bioinformatics, Biotechnology

*Languages* Deutsch, English

*Scientific Memberships* The Royal Society of Medicine London  
Senior Associate  
März 2013 –today

ASSOCIATION EUROPEENNE DE MEDECINE PREDICTIVE, PREVENTIVE ET PERSONNALISEE, EN ABREGE: EPMA EPMA as the European Coordinator in the field of Predictive, Preventive & Personalised Medicine  
Member, November 2012 – today

Ibn Sina Academy of Medieval Medicine & Science, Aligarh India  
March 2002- present, Life Member

*Interests* mHealth, e-Health, ethnomedicine, health science,

## Publication Highlights

### Books

Gerhard Lingg: *Metaanalysis of Metamorphosis Experiments: Metamorphosis Experiments on Ultra High Diluted Thyroxin and Amphibians*. ISBN-10: 3869240903 01/2011; AVM - Akademische Verlagsgemeinschaft München; Auflage: 1. Aufl. (2. August 2011)., ISBN: ISBN-13: 978-3869240909

## Book Chapters

Dr. Gerhard Lingg: mHealth innovative technology..... 30 edited by Caroline Pennington, 04/2012;

www.publicservice.co.uk. Rewiew: Health and Social Care: issue 30

Dr. Gerhard Lingg: *Mobile momentum*. Public Service Rewiew: Health and Social Care: issue 31

Dr. Gerhard Lingg: *A string of precious pearls in healthcare. Tackling Long-Term Conditions:*

Health and Wellbeing; 05/2012

## Journal Publications

Gerhard Lingg et.al. *Treatment of Highland Frogs from the Two-Legged Stage with Homeopathically Prepared Thyroxin (10–11 – 10–21)*, Research Article, *The Scientific World JOURNAL* (2008) 8, 446–450 TSW  
ISSN 1537-744X; DOI 10.1100/tsw.2008.58

Gerhard Lingg, P.C. Endler: *Recalculation of data from 1990 to 2010 on the effects of highly diluted thyroxine on the metamorphosis of highland amphibians*. *Int J High Dilution Res* 2011; 10(37): 311:324

Elisabeth Pizzinato, Joop Muller, Gerhard Lingg, David Dapra, Harald Lothaller , Peter Christian Endler  
*Heart Rate Variability in a Study on Reiki Treatment*.

The Open Complementary Medicine Journal, 2012, 4, 12-15

Kiefer P., Lingg G., Endler P.C. *Lowland amphibians-Recalculation of data on the effects of diluted thyroxine*.

Int J High Dilution Research 2012; 11(38):03-18

## Patents

Gerhard Lingg: *VORRICHTUNG ZUM APPLIZIEREN VON GESPEICHERTEN FREQUENZINFORMATIONEN*.  
*Device for using saved Frequency Information*.  
**EP 2 107 921 B, WO 2008/083847, US 8,406,863 B2- Mar. 26, 2013**

Gerhard Lingg: *Method and Apparatus for the Collection and Storing of Bioinformation*.  
10/2008; Patent: WO 2008/116337 A1 PCT/CH2008/000127

## Conference Proceedings

Gerhard Lingg: *mHealth innovative technology.*

3rd Mobile Healthcare Industry Summit, Brussels, 20-21 September 2011

Gerhard Lingg: *Mobile momentum,*

Advance in Medical Science, collaboration for growth  
29 February 2012 | Central Hall Westminster, London

Gerhard Lingg: *A string of precious pearls in healthcare.*

*Tackling Long-Term Conditions, Health & Wellbeing, Public Service Events, analysis, opinion, debate*  
Barbican Conference Centre, Silk Street, London, Wednesday 30th May 2012

Gerhard Lingg: *IMI mHealth Service*

HealthSummit Dezember 3-5, 2012  
Washington, DC Area, The Gaylord National Resort and Convention Center

Charlotte Allmer, Gerhard Lingg, Renate Voit, P.C. Endler:

*Vortrag\_Rhythmologische Synopsis und HRV\_Wien\_2013.*

international conference on kinesiology and health 2013, Vienna, 30.08.- 01.09.2013;

Gerhard Lingg: *presentation - Mechanism of action of the Body Wave,*

*Bioregulatory Background of the Effect of Body-Waves and Nutrition Advices,*  
international conference on kinesiology and health 2013, Vienna, 08/2013
